

**By request**

Dear Customer,

Thank you very much for your enquiry concerning REACH and it's consequence to your business with Seritronic A/S. We are pleased to inform you as follow:

**Regulation (EC) No. 1906/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)**

We hereby confirm that Seritronic A/S, always follow the latest update to Regulation (EC) No. 1906/2006 REACH, latest registration 2018, and the ever-increasing number of Substances of Very High Concern (SVHC) in accordance with article 59 of the REACH regulation. Seritronic A/S is always updated according to latest update on the SVHC candidate list (½ year updates), since all chemical products/substances are registered in "CHESS" (Chemical, Health, Environmental, Safety System). With CHESS we are always aware of chemical products containing SVHC substances. In addition to SVHC tracking Seritronic A/S is also aware by using "CHESS" of any updates of REACH annex XIV (authorization list) and annex XVII (restriction list). Seritronic A/S collaborates with suppliers who guarantee and demonstrate compliance with the REACH Regulation.

**RoHS –EU Legislation as downstream user of chemicals (RoHS 2015/863 3)**

We hereby confirm that Seritronic A/S, always follow the latest update according to Regulation No. 2011/65/EU including all amendments. Seritronic A/S collaborates with suppliers who guarantee and demonstrate compliance with the RoHS directive.

**Directive 2002//96/EC - Directive 2003/108/CE– Directive 2012/19/EU****And of The Council of 4 July 2012 on Waste of Electrical and Electronic Equipment (WEE)**

Thank you very much for your enquiry concerning Weee and its consequence to your business with the Seritronic A/S. We are pleased to inform you as follow: Seritronic A/S as an environmentally friendly company is fully responsible of its products from the design stage until they reach the end of their useful life. As

company we are following strict Danish Government, internal policy to promote environmentally responsible business practices.

We hereby confirm that Seritronic A/S, always follow the latest update according to European Commission and the Review of EU waste policy and legislation. We regularly remind our suppliers to update according to the newest EU Legislation.

If you may need additional clarification on Waste Electrical & Electrical Equipment (WEEE) as to our business, please to not hesitate to contact us.

Best regards,

**Seritronic A/S**  
Quality Manager
